

LUNCH & LEARN

The Targeted Small Business (TSB) Program is designed to help women, minorities, individuals with disabilities or service-disabled veterans overcome some of the hurdles in starting and growing a small business in Iowa.

CERTIFICATION CRITERIA

To be eligible for TSB certification or a loan, businesses must be:

- Located in the state of Iowa
- Operating for a profit
- Make less than \$4 million in gross income, computed as an average of the preceding three fiscal years
- Majority owned (51 percent or more), operated and managed by a female, individual with minority status, service disabled veteran or individual with a disability

BENEFITS OF CERTIFICATION

- Listing in the online Targeted Small Business Directory (iowaeconomicdevelopment.com/tsb), which is used by public and private buyers across the state
- Invitation to TSB networking and TSB-exclusive events to meet with other business owners, public purchasing managers and private buyers
- Introduction to partners who aid with state purchasing, growing a business or connections to other business networks through workshops, webinars and other events
- Business promotion as a Certified TSB utilizing the TSB badge on social media, website and marketing channels, as well as with the TSB window cling received upon certification

All Iowa state agencies are required to establish annual TSB spending projections and report quarterly TSB performance goals. By becoming a TSB and selling products and services to the state, TSBs help Iowa state agencies meet TSB procurement goals.

12:00 PM - 1:00 PM
Scott County Library
RSVP by Monday, January 14th to (563)285-9965 or by email to
